

Different Strokes For Different Folks: Six Essential Leadership Lessons I Learned While Having A . . .

STROKE

S = SPEED MATTERS {If it looks like a stroke and it feels like a stroke—take immediate action}

*****Teaching point. Just stay calm. With peace, comes clarity**

T = TEACH TO TELL {Some of the best lessons of life are experienced and then taught}

*****Teaching point. Nothing is wasted unless it is wasted**

R = REASSURING WORDS THAT COMFORT {reading and praying Psalms 91 and Psalms 40:1-5}

*****Teaching point. There are few sweeter experiences than to read and pray the Word for you and on behalf of others**

O = OPPORTUNITY TO BLESS OTHERS {Even when you are “going through hard” look just as hard to be a blessing to others}

*****Teaching point. How an attitude of “It’s My Pleasure” opens the door to loving on and adding value to others**

K = KEEP POSITIVE {always seek to keep your glass half full and be on the lookout for circumstances that are redemptive in nature}

*****Teaching point. Look for the really good when it’s really hard and you will never regret it**

E = ETERNAL PERSPECTIVE {keep the main thing the main thing}

*****Teaching point. Do not be afraid to LIVE now and leave the future to the Lord**
“The Lord says, “I will rescue those who love me. I will protect those who trust in my name. When they call on me, I will answer; I will be with them in trouble. I will rescue and honor them. I will reward them with a long life and give them my salvation.””
Psalms 91:14-16 NLT
