

Training Consultants

Learn • Practice • Grow

RA Training Consultants is a specialist learning and facilitation practice supporting organisations to strengthen leadership communication, workplace effectiveness, and professional capability.

We partner with large Corporates and Small to Medium Sized Enterprises (SMEs) to design and deliver practical learning experiences that translate directly into workplace performance and real business results.

Principle Consultant:

Rehman Akhtar, BSc (Hons), Mechanical Engineering City University, London

Rehman brings over 30 years of corporate experience across the UK and Middle East, including 23 years with Saudi Aramco. A dynamic and engaging facilitator who specialises in developing confident communicators and effective leaders in complex, high-stakes environments.

Clients and Experience:

Middle East clients include: Saudi Aramco, SABIC, Saudi National Bank, KAUST, British Embassy, Johnson & Johnson.

UK clients include: GlaxoSmithKline, Pearson, Cable & Wireless, Royal Bank of Scotland

These engagements have provided deep experience and real-world understanding of standards expected in major organisations.

Results We Deliver:

- Stronger communication and presentation skills
- Increased confidence at all organisational levels
- More effective leaders and managers
- Practical skills that translate directly into workplace performance
