The Homeschool Vision Starter Kit

*A 9-page guide to trading burnout for
Christ-centered peace*

Created by Aurora Bernal

Finding Rest in the Midst of the Mission

Dear Mama,

I know the weight you carry. Between the lesson plans, the laundry, and the deep desire to lead your children toward the heart of God, it is easy to feel overwhelmed. We often start our years with high hopes, only to find ourselves running on empty by mid-term.

I created this Vision Starter Kit to help you pause. This isn't just about "checking boxes"—it's about recentering your home on the One who called you to this journey.

On the following pages, you'll find the same tools I use to organize my thoughts and my prayers. From tracking the scriptures your children are hiding in their hearts to simple attendance records that give you peace of mind, these pages are designed to help you breathe.

Take a moment today to sit with the Lord, fill out the Mission & Prayer page, and remember: He doesn't just call the equipped; He equips the called.

Grace and peace,

Aurora Bernal

How We'll Grow in Faith

For each child, note practical ways they will deepen their faith (e.g., family devotions, service, prayer).

Tips:

- Be specific and realistic.
- Involve your children in setting their goals.
- Review these goals often to track progress.

How We'll Grow in Faith:

Outline practical ways this child will deepen their faith
