College Career Compass™ Support Standard

Career Compass™ is designed to provide a clear, structured, and student-centered learning experience for high school students. Our courses include guided lessons, reflection prompts, examples, planning tools, and portfolio-based assignments, enabling students to move through the curriculum independently. At the same time, parents remain informed and able to support progress.

The goal of College Career Compass™ is to help students build clarity, confidence, and direction through self-discovery, career exploration, pathway planning, scholarship awareness, and future-ready action steps.

Overview

College Career Compass™ provides a self-paced online college and career readiness curriculum for high school students in grades 9–12. Courses are delivered through the College Career Compass™ learning platform and are designed to help students better understand themselves, explore future possibilities, compare postsecondary pathways, build scholarship awareness, and create personalized planning tools for life after high school.

This fee schedule outlines current College Career Compass™ course offerings, prices, delivery format, student outcomes, and curriculum value.

Service Type

College Career Compass™ courses are self-paced online educational curriculum products. Courses are delivered asynchronously through the College Career Compass™ learning platform and are designed for independent student completion.

Courses may be used by homeschool families, ESA families, microschools, learning communities, and high school students seeking a structured college and career readiness curriculum.

College Career Compass™ courses are not therapy, counseling, clinical assessment, live tutoring, financial advising, legal advising, or one-on-one college advising services.

Course Descriptions

Discover Your Direction™

Price: \$279

SKU: CCC-DYD-S1-001

Course Type: Semester course / self-paced online curriculum

Student Outcome: My Direction Portfolio™

Discover Your Direction™ helps high school students build self-awareness, confidence, clarity, and personal direction. Students explore their strengths, interests, values, aptitudes, motivation, learning patterns, energy, mindset, and possible future pathways through guided lessons, reflection activities, inquiry-based exploration, and portfolio assignments.

Rather than pressuring students to choose a college, major, or career too early, this course helps students slow down, notice meaningful patterns, explore career possibilities, and begin connecting who they are to where they may want to go next.

Build Your Future™

Price: \$279

SKU: CCC-BYF-S2-001

Course Type: Semester course / self-paced online curriculum

Student Outcome: My College & Career Compass Plan™

Build Your Future™ helps high school students turn self-awareness and exploration into practical next steps for life after high school. Students explore postsecondary pathways, scholarship awareness, future-ready experiences, resume development, personal branding, goal setting, and action planning.

This course helps students compare college, technical, trade, apprenticeship, work-based, military, entrepreneurial, and alternative pathways while considering fit, opportunity, affordability, readiness, and personal goals.

Full-Year College & Career Readiness Course

Price: \$579

SKU: CCC-FY-CCR-001

Course Type: Full-year course / self-paced online curriculum

Student Outcome: My College & Career Compass Plan™

The Full-Year College & Career Readiness Course provides the complete College Career Compass™ learning experience. Students move from self-discovery to future-ready planning through a structured

sequence that includes personal reflection, strengths exploration, career curiosity, postsecondary pathway research, scholarship awareness, resume and personal branding tools, goals, priorities, and next-step planning.

This course combines Discover Your Direction™ and Build Your Future™ into one full-year college and career readiness curriculum experience.

Curriculum Value Statement

College Career Compass™ courses are designed as a structured, self-paced college and career readiness curriculum for high school students. Each course combines guided instruction, reflection, inquiry, exploration, planning, and portfolio-based assignments to help students build clarity, confidence, and future readiness.

Rather than offering isolated activities, basic career quizzes, or general college planning checklists, College Career Compass™ provides a sequenced learning experience that helps students better understand themselves, explore meaningful future possibilities, compare postsecondary options, build scholarship awareness, and create personalized planning tools.

Course pricing reflects access to a complete digital curriculum experience, including guided lessons, embedded student support, structured activities, planning tools, and portfolio-based course outcomes.

Delivery Format

College Career Compass™ courses are delivered online through the College Career Compass™ learning platform. Courses are:

- Self-paced
- Asynchronous
- Student-facing
- Designed for independent completion
- Built with guided prompts and examples
- Organized around reflection, exploration, planning, and portfolio development

Students may complete the course at a pace that works for their schedule, family, homeschool plan, or learning environment.

Parent / Guardian Role

Parents do not need to teach the course. The curriculum includes built-in directions, prompts, examples, and portfolio guidance so students can move through the course independently.

Parents may support the student experience by encouraging progress, discussing reflection questions, reviewing completed activities, supporting homeschool documentation decisions, and celebrating completion of the student's portfolio or final plan.

Important Service Boundary

College Career Compass™ courses are educational curriculum products. They are not therapy, counseling, clinical assessment, financial advising, legal advice, live tutoring, guaranteed college admissions services, guaranteed scholarship services, or guaranteed career placement services.

Families should consult appropriate professionals for therapeutic, legal, financial, academic, or program-specific guidance when needed.

ESA / Scholarship Marketplace Note

College Career Compass™ may be available through approved ESA, homeschool scholarship, direct-pay, reimbursement, or education marketplace programs.

Vendor approval, product approval, reimbursement eligibility, and payment procedures may vary by state, program, or marketplace. Families are responsible for confirming whether a course is eligible for purchase or reimbursement through their specific ESA, scholarship, or marketplace program.

College Career Compass™ cannot guarantee approval, reimbursement, or payment by any third-party ESA, scholarship, or marketplace program unless the purchase has been approved through that program.

Additional Notes

Prices are subject to change for future enrollments, marketplace updates, promotional periods, or program-specific requirements. Current course access, refund, completion, and support policies are outlined separately in the College Career Compass™ Policy Packet.

Course descriptions, outcomes, and documentation may be updated periodically to reflect curriculum improvements, marketplace requirements, or program alignment needs.

Contact and Support

Parents or guardians may contact College Career Compass™ for course access, payment, technical support, ESA/vendor questions, or marketplace-related issues using the contact information provided on the course platform, website, or marketplace listing.
