NOTES

If you have questions, remember to join the Business Start-up Classroom Facebook group and ask your questions!

Meet The Author Sophia Davis-Fagan, MSc

Sophia Davis-Fagan is a mindset and business coach who is the author of several publications, to include books, journals and articles. She helps regular individuals to start and grow their online businesses via Done-For-You programs and service and helps them to align their mindset with the goals they want to achieve.

This savvy entrepreneur is the founder of the Business Startup Classroom and Co-founder of the Online Freelance Platform, MyExpertHub.com. Her platform connects business owners to freelancers to help them to start grow and scale their businesses by getting their digital products and services created for them.

A former Sergeant of Police for 14 years, Sophia has worked as a police trainer at the Ministry of National Security. She was nationally awarded the Medal of Honor for dedicated and efficient service. Over the years Sophia has worked as a consultant, trainer and a recruiter.

Sophia holds a MSc in Counseling & Consulting Psychology and a Postgraduate certificate in Global Business Management. Sophia is also a trained teacher. She's a former contributor for the Huffington Post.

Sophia has had her fair share of setbacks but she believes that no matter what your circumstances are, if you're intentional about your thoughts, actions and connections, anything is possible.
