Do: Let the video do the explaining.	Don’t: Sound overly animated or pushy.
Do: Stay calm, warm, and neutral.	Don’t: Answer every detailed question before the video.

Do: Stop after once they say, “No”.	Don’t: Take silence personally.

What if they reach out and I don’t know their name?

Use it only if they included it in their message. If not, keep it warm and neutral.
