WAITING ROOM

ADVISORY BOARD

OUR STORY

Waiting Room Global is a revival and prayer movement committed to awakening hearts to the presence and power of God. Over the years, the ministry has hosted crusades, prayer gatherings, and revival meetings across Africa, Europe, and the United States, impacting lives through the message of repentance, consecration, healing, and spiritual awakening.

NEXT PHASE - REVIVAL CITY

WAITING ROOM

Revival City

Revival City is a dedicated prayer and revival center in Dodowa Hills, Ghana, envisioned as a 24-hour prayer refuge with prayer rooms, a public prayer garden, retreat suites, and global broadcasts.

Our Vision

To establish Revival City as a spiritual landmark and resting place for God's presence.

Our Mission

Awaken a generation into revival.

Our 10 Year Focus

- **Revival City is being developed with a 10-year horizon in mind.** Rather than starting the vision in a temporary location and relocating years later, we made the strategic decision to secure land and establish a permanent footprint from the outset.

- Our goal is to build recognition, trust, and community around a single location that will become synonymous with the mission of Waiting Room Global. As the ministry grows, **Revival City itself becomes a recognized landmark and destination for prayer, revival, discipleship, mindfulness, wellness and spiritual encounter.**

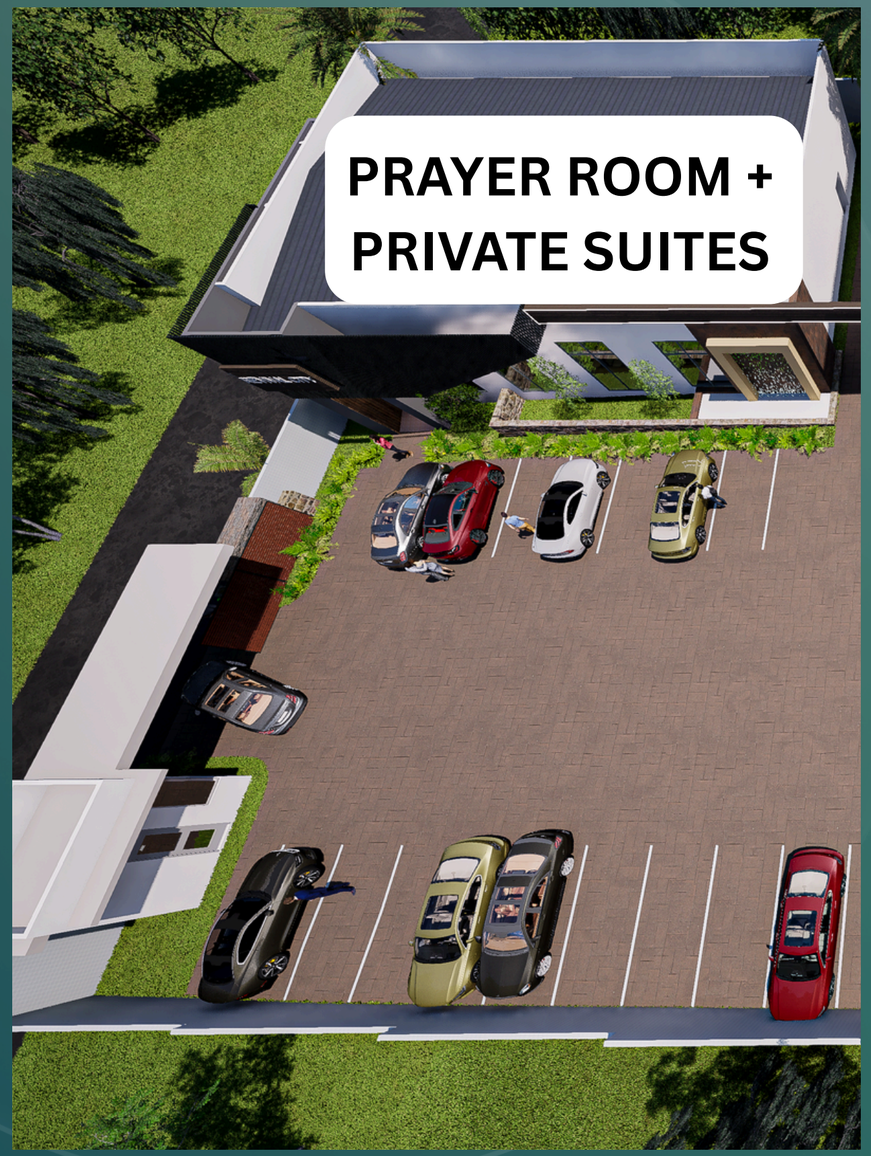

- This approach allows us to **lay the foundation now for sustainable long-term growth** while avoiding the disruption, loss of momentum, and community fragmentation that often occurs when organizations outgrow temporary facilities and are forced to relocate. We are not simply building for today—we are establishing a permanent home for the vision for decades to come.

MULTI-PHASE PROJECT

Phase 1 : Pre-construction

- Land Acquisition & documentation
- Surveying & site analysis
- Architectural Renderings
- Permit approvals & compliance
- Site clearing & infrastructure planning
- Initial fundraising & partnership development

Phase 2 : Prayer Room & Private Retreat Construction

- Construction of the dedicated prayer room
- Worship & intercession environment setup
- Basic utilities & infrastructure installation
- Audio, lighting & livestream capability
- Retreat & Consecrated facilities
- Initial hosting of gatherings and retreats

Phase 3: Garden Terraced Ampitheater

- Terraced ampitheater development
- Landscaping & walking paths
- Seating, lighting & quiet reflection areas
- Water features and natural encounter spaces
- Outdoor worship & gathering areas

Phase 4 : Main Auditorium Construction

- Main auditorium construction
- Administrative & hospitality areas
- Media & ministry production spaces
- Long-term operational infrastructure
- Final campus integration & expansion

STRATEGIC LOCATION

DODWA HILLS

- Situated near three universities & four high schools
- Positioned within a growing development corridor
- Nearby incoming gated estate community
- Accessible while still secluded enough for retreat atmosphere
- Long-term regional growth potential
