

# Your Voiceover Career Kickstart Check-List

---

- Stay Up-to-Date on Current Trends & Industry News** - *by registering for newsletters, subscribing to podcasts & YouTube channels, following blogs, joining voiceover Facebook groups, etc.*
- Learn Voiceover Terms & Lingo**
- Improve Your Performance & Mic Technique** - *It's not enough to have a "great voice" - that's like having a really nice guitar but not knowing how to play it 😊*
- Get Proper Recording Equipment**
- Sound Treat Your Recording Space** – *focus on both sound proofing & sound dampening*
- Understand Basic Audio Editing**
- Get a Pro Demo** - *commercial demos are typically the first one you'll get*
- Price Yourself Properly** – *Consider making a rate card*  
*Pro tip: use the industry standard [GVAA](#) & [GFTB](#) rate guides for reference*
- Decide on Your Strategy to Find Work** – *such as auditioning on online casting sites, cold marketing to clients, finding agents, etc, or combo of all*
- Register Your Business & Get Set-Up for Taxes**

*\* If you're ready to dig in to all of this (plus much more) and properly launch your career, then let the [VO Kickstart Program](#) help!*
