

# NEON DREAMS

**SYNTHWAVE PRESETS FOR VITAL**

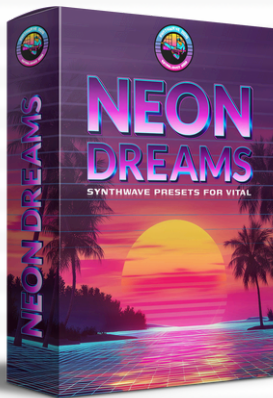

# THANK YOU FOR YOUR PURCHASE!

I appreciate you so much for purchasing Neon Dreams! I'm truly grateful for your support and excited for you to dive into these sounds. I hope they inspire your creativity and help bring your musical ideas to life. Enjoy!

Alonso Carballo  
Founder - Synthwave Dojo

These patches were inspired by great synthwave artists such as TimeCop1983, The Midnight, MPM Soundtracks, College, Kavinsky and many others. There's no fluff or filler here, only killer patches that are ready to be used in your synthwave productions.
