⁵ And behold, there was a wall all around the outside of the temple area, and the length of the measuring reed in the man's hand was six long cubits, each being a cubit and a handbreadth in length. So he measured the thickness of the wall, one reed; and the height, one reed. ⁶ Then he went into the gateway facing east, going up its steps, and measured the threshold of the gate, one reed deep. ⁷ And the side rooms, one reed long and one reed broad; and the space between the side rooms, five cubits; and the threshold of the gate by the vestibule of the gate at the inner end, one reed. ⁸ Then he measured the vestibule of the gateway, on the inside, one reed. ⁹ Then he measured the vestibule of the gateway, eight cubits; and its jambs, two cubits; and the vestibule of the gate was at the inner end. ¹⁰ And there were three side rooms on either side of the east gate. The three were of the same size, and the jambs on either side were of the same size. ¹¹ Then he measured the width of the opening of the gateway, ten cubits; and the length of the gateway, thirteen cubits. ¹² There was a barrier before the side rooms, one cubit on either side. And the side rooms were six cubits on either side. ¹³ Then he measured the gate from the ceiling of the one side room to the ceiling of the other, a breadth of twenty-five cubits; the openings faced each other. ¹⁴ He measured also the vestibule, sixty cubits. And around the vestibule of the gateway was the court. ¹⁵ From the front of the gate at the entrance to the front of the inner vestibule of the gate was fifty cubits. ¹⁶ And the gateway had windows all around, narrowing inwards toward the side rooms and toward their jambs, and likewise the vestibule had windows all around inside, and on the jambs were palm trees.

⁴⁴ On the outside of the inner gateway there were two chambers in the inner court, one at the side of the north gate facing south, the other at the side of the south gate facing north. ⁴⁵ And he said to me, “This chamber that faces south is for the priests who have charge of the temple, ⁴⁶ and the chamber that faces north is for the priests who have charge of the altar. These are the sons of Zadok, who alone among the sons of Levi may come near to the LORD to minister to him.” ⁴⁷ And he measured the court, a hundred cubits long and a hundred cubits broad, a square. And the altar was in front of the temple.

¹² The building that was facing the separate yard on the west side was seventy cubits broad, and the wall of the building was five cubits thick all around, and its length ninety cubits. ¹³ Then he measured the temple, a hundred cubits long; and the yard and the building with its walls, a hundred cubits long; ¹⁴ also the breadth of the east front of the temple and the yard, a hundred cubits. ¹⁵ Then he measured the length of the building facing the yard that was at the back and its galleries on either side, a hundred cubits.

The inside of the nave and the vestibules of the court, ¹⁶ the thresholds and the narrow windows and the galleries all around the three of them, opposite the threshold, were paneled with wood all around, from the floor up to the windows (now the windows were covered), ¹⁷ to the space above the door, even to the inner room, and on the outside. And on all the walls all around, inside and outside, was a measured pattern. ¹⁸ It was carved of cherubim and palm trees, a palm tree between cherub and cherub. Every cherub had two faces: ¹⁹ a human face toward the palm tree on the one side, and the face of a young lion toward the palm tree on the other side. They were carved on the whole temple all around. ²⁰ From the floor to above the door, cherubim and palm trees were carved; similarly the wall of the nave.

²¹ The doorposts of the nave were squared, and in front of the Holy Place was something resembling ²² an altar of wood, three cubits high, two cubits long, and two cubits broad. Its corners, its base, and its walls were of wood. He said to me, “This is the table that is before the LORD.” ²³ The nave and the Holy Place had each a double door. ²⁴ The double doors had two leaves apiece, two swinging leaves for each door. ²⁵ And on the doors of the nave were carved cherubim and palm trees, such as were carved on the walls. And there was a canopy of wood in front of the vestibule outside. ²⁶ And there were narrow windows and palm trees on either side, on the sidewalls of the vestibule, the side chambers of the temple, and the canopies.

¹ Then he led me out into the outer court, toward the north, and he brought me to the chambers that were opposite the separate yard and opposite the building on the north. ² The length of the building whose door faced north was a hundred cubits, and the breadth fifty cubits. ³ Facing the twenty cubits that belonged to the inner court, and facing the pavement that belonged to the outer court, was gallery against gallery in three stories. ⁴ And before the chambers was a passage inward, ten cubits wide and a hundred cubits long, and their doors were on the north. ⁵ Now the upper chambers were narrower, for the galleries took more away from them than from the lower and middle chambers of the building. ⁶ For they were in three stories, and they had no pillars like the pillars of the courts. Thus the upper chambers were set back from the ground more than the lower and the middle ones. ⁷ And there was a wall outside parallel to the chambers, toward the outer court, opposite the chambers, fifty cubits long. ⁸ For the chambers on the outer court were fifty cubits long, while those opposite the nave were a hundred cubits long. ⁹ Below these chambers was an entrance on the east side, as one enters them from the outer court.

¹⁰ In the thickness of the wall of the court, on the south also, opposite the yard and opposite the building, there were chambers ¹¹ with a passage in front of them. They were similar to the chambers on the north, of the same length and breadth, with the same exits and arrangements and doors, ¹² as were the entrances of the chambers on the south. There was an entrance at the beginning of the passage, the passage before the corresponding wall on the east as one enters them. ¹³ Then he said to me, “The north chambers and the south chambers opposite the yard are the holy chambers, where the priests who approach the LORD shall eat the most holy offerings. There they shall put the most holy offerings—the grain offering, the sin offering, and the guilt offering—for the place is holy. ¹⁴ When the priests enter the Holy Place, they shall not go out of it into the outer court without laying there the garments in which they minister, for these are holy. They shall put on other garments before they go near to that which is for the people.”

¹⁵ Now when he had finished measuring the interior of the temple area, he led me out by the gate that faced east, and measured the temple area all around. ¹⁶ He measured the east side with the measuring reed, 500 cubits by the measuring reed all around. ¹⁷ He measured the north side, 500 cubits by the measuring reed all around. ¹⁸ He measured the south side, 500 cubits by the measuring reed. ¹⁹ Then he turned to the west side and measured, 500 cubits by the measuring reed. ²⁰ He measured it on the four sides. ¹ Then he led me to the gate, the gate facing east. ² And behold, the glory of the God of Israel was coming from the east. And the sound of his coming was like the sound of many waters, and the earth shone with his glory. ³ And the vision I saw was just like the vision that I had seen when he came to destroy the city, and just like the vision that I had seen by the Chebar canal. And I fell on my face. ⁴ As the glory of the LORD entered the temple by the gate facing east, ⁵ the Spirit lifted me up and brought me into the inner court; and behold, the glory of the LORD filled the temple.
