

Business Credibility Checklist

It covers:

business name consistency

professional domain and business email

business phone and virtual address

411 listing and Google business presence

website presence

LLC + EIN + operating agreement

business bank account and monthly activity

payment processors like Stripe and PayPal

D-U-N-S setup

Net-30 vendors

PAYDEX tracking

final lender credibility review

That is the second support file for the premium package.

Next after that is:

DUNS + PAYDEX Tracking Sheet
