

7 STEPS TO UNITE THE CHURCH AND TRANSFORM YOUR CITY

A PROVEN BLUEPRINT TO ESTABLISH CONTINUOUS PRAYER, ALIGN LEADERS, AND SEE MEASURABLE IMPACT

7 STEPS TO UNITE THE CHURCH AND TRANSFORM YOUR CITY

For over 30 years, this blueprint has been tested—uniting the Church from Charismatic to Catholic, from Presbyterian to Pentecostal—in cities across more than 38 nations.

This is not theory.

It is proven—across cultures, across denominations.

And it is repeatable.

If you are called to see your city transformed, this is where you begin.

01 STEP

DEFINE THE ASSIGNMENT

DISCOVER THE CITY OR REGION THE LORD HAS CALLED YOU TO

- ✓ Every transformation begins with ownership
- ✓ Identify your:

City / county /
region

Existing cultural
landscape and
condition of the
church

Key leaders already
present in each
sphere who are
allies

ACTION:

Review the strategy and answer,
would this please our heavenly
Father

As leaders are added, continue to
revisit this question to determine the
area of responsibility God is calling
you all to impact.

02 ^{STEP} IDENTIFY THE CATALYTIC LEADERS

FIND OR BECOME THE LEADER WHO CAN CONVENE OTHERS

- ✓ Transformation requires Strategic Servant Leaders
- ✓ This leader:

Serves,
not controls

Builds trust across
denominations and
with civic leaders

Carries vision +
endurance

ACTION:

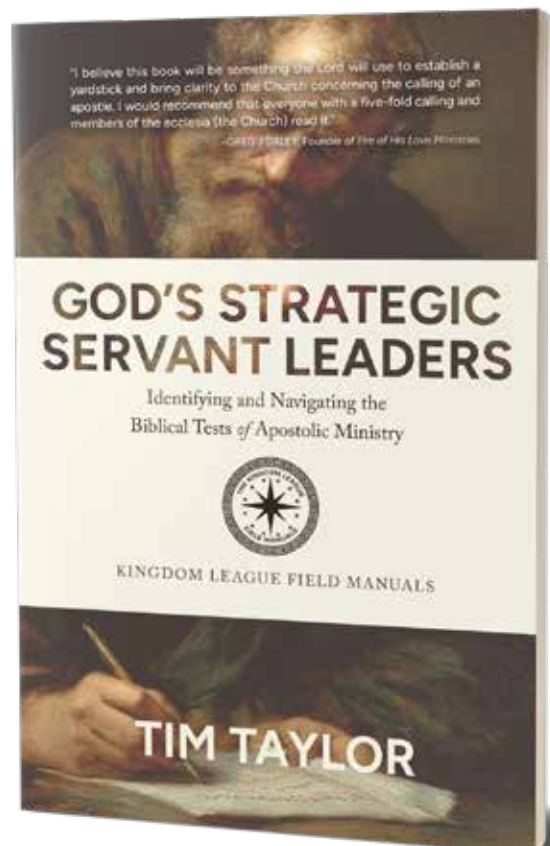

Identify who these leaders are
(you may be one)

Need help, get your copy of God's
Strategic Servant Leaders

Form a Transformation
Task Force

03 STEP START WITH CONTINUAL PRAYER

ESTABLISH THE SPIRITUAL FOUNDATION FIRST

CONTENT:

- ✓ Nothing moves without sustained prayer
- ✓ Introduce The Prayer Wall Strategy:

KEY PRINCIPLE:

Prayer must become continual, coordinated, and unified

ACTION:

The goal is to see families within each local church cover one day with 24-hour prayer

Each congregation selects the leader or team called to facilitate and administrate the watch and prayer wall, whom we call a CONECTer.

04 ^{STEP} IMPLEMENT ONE CHURCH ONE DAY

CREATE A UNIFIED CANOPY OF 24/7 PRAYER

- ✓ Each church adopts one day per month
- ✓ **Result:** Continuous prayer across the city

ACTION:

Recruit the first churches and start, even if you don't have every day covered

Assign days and begin inviting God's abiding presence to your city/region.

05 STEP ESTABLISH THE GOVERNING TABLE

PRAYER SETS TABLE TO CONVENE LEADERS FROM EVERY SPHERE

- ✓ This is not just merely a meeting—it is a governing function
- ✓ The Church sets the table through continual prayer, inviting aligned leaders to step into shared responsibility for the transformation of the city.
- ✓ Include leaders from across all seven spheres and representing the five-fold ministry.

Church
Ephesians 4:11 — apostles, prophets, evangelists, pastors, and teachers

Government

Business

Education

Healthcare

Media

Family

CORE PRINCIPLE:

When the Church becomes one...
it establishes a governing table in the city—
where civic leaders encounter the presence of the Lord
and receive the wisdom of heaven to solve the problems
before them.

ACTION:

Convene first roundtable - small, intentional, and begin relational alignment

Facilitate dialogue that surfaces vision and measurable outcomes.

What would true transformation look like in our city?

What metrics can we track to discern whether our prayers are producing impact?

06 STEP APPLY CONECT (COMMUNICATION BACKBONE)

BUILD A SYSTEM THAT SCALES AND SUSTAINS THE MOVEMENT

- ✓ Without communication, unity collapses & power decreases
- ✓ The CONECT system found in the One Church One Day strategy provides:

FUTURE VISION:

- All technology does is automate a process. Historically, this system operated with minimal technology, relying only on email and Word documents. Between 2017 and 2020, we received a small grant to develop a prototype with a leadership dashboard and apps connecting people and churches to a league within a city, region or state. We demonstrated the concept

- but lacked the resources to implement adequate security measures to safeguard leaders. This was especially critical as censorship issues arose with governments following a godless ideology, working through business oligarchs to ban and censor the Church and the truth. Consequently, we took our system offline until we could redeploy a comprehensive, secure version for the leaders we work with across various sectors of society. We have the plans and the tech firm identified, and as soon as we secure the necessary resources, they will begin work.
- Scalable digital dashboard
- Citywide engagement system

ACTION:

1. Start simple (email + reporting rhythm)
2. Track prayer + outcomes
3. The basic forms, organization and processes are described in One Church One Day and training for the CONECTer and their team will follow soon in the Field Manual Series.
4. Partner with us to build this strategic communication platform that will equip the Church in every city/region/county/state or nation with its own strategic operations center

07 STEP MEASURE AND MULTIPLY

TRACK RESULTS AND EXPAND THE MODEL

✓ We have seen results like this:

People are saved

Families are restored

Crime decreases

Unemployment drops

Epidemics stop

Churches grow

Graduation numbers improve

Droughts broken

Record harvests

Abortion clinics shut down

Adoption rates increase

Legislation and elections impacted and more

KEY PRINCIPLE:

What is measured can be multiplied, and local leaders select the metrics.

ACTION:

Document testimonies

Share results

Expand to neighboring regions

THIS IS YOUR MOMENT

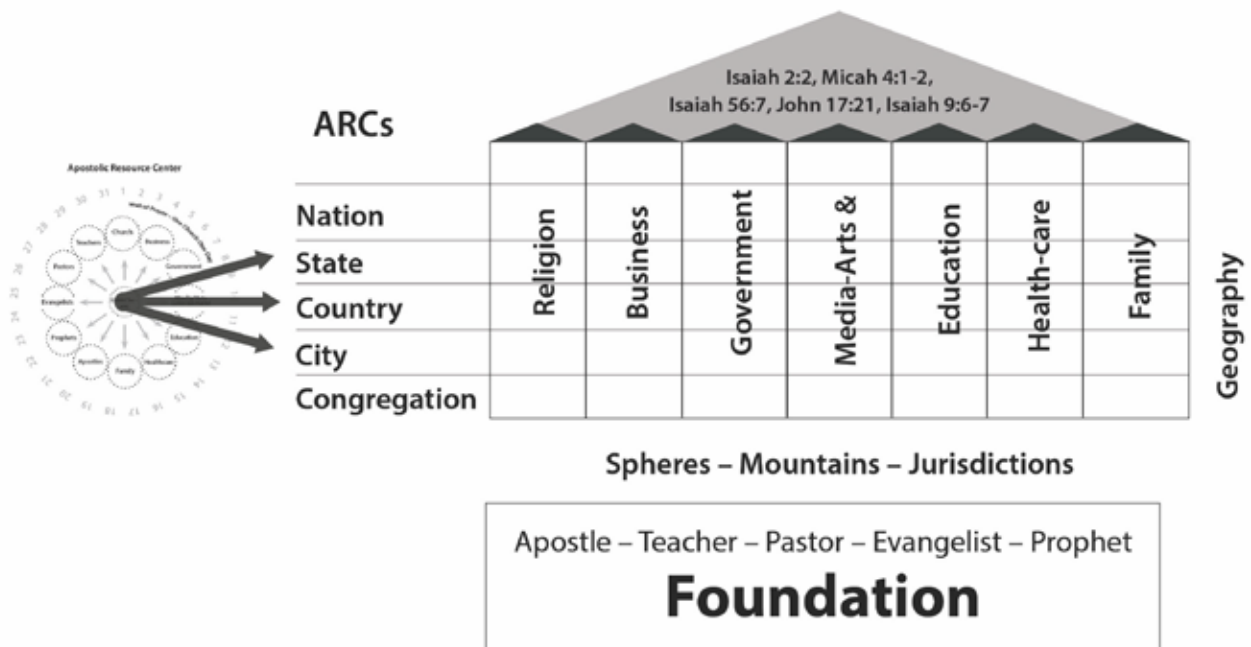

This is not about building a network—
 It's about a remnant becoming a movement
 For such a time as this
 For King Jesus, His Church, and His will to prepare
 The way for the day of the LORD.

I pray you answer the call!
