1. What type of sponsorship you want to engage in (single/couple/family/friends)
2. Your personal information (name, birth date, address, phone number, email)

We will then gladly get back to you with a confirmation on our part and more information on a child you can sponsor, so that you can make a well thought out decision.

After your further confirmation, we will help you set up your monthly support and provide you with material regarding the correspondence process.

The financial support comes to about \$2 a day (\$60 a month). The investment in your sponsored child's life is invaluable.

## STREET CHILDREN MINISTRY

SPONSORSHIP PROGRAM

# Who Is SCM?

SCM (Street Children Ministry) is a Christian non-profit organization caring for street children in South Sudan. SCM currently operates two children's homes for a number of street children, and engages in extensive outreach to help more kids and youth on the streets. Our goal is to transform the lives of street children in a holistic way through the power of the gospel and our Christ-centered programs and activities. Over here, you can see the pillars (four L's) of our work

According to recent UNICEF reports on South Sudan, about 4.5 million children in this country are in need of humanitarian aid. At least 1.4 million of those under the age of 5 are acutely malnourished. Moreover, about 3 million children do not have access to any education. In all this, it is especially the abandoned or orphaned street children who often suffer from hunger, trauma, disease, danger and more.

## 1. LET CHRIST AND HIS GOSPEL BE AT THE CENTER

We desire each child under our care to come to a saving faith and knowledge of the Lord Jesus Christ. Because of that, we share the gospel and the whole counsel of God as expressed in the Scriptures with them.

## 2. LEAD BY EXAMPLE

We want to be the best possible influence on the children under our care, which is why we make sure to lead with exemplary behavior and God-honoring principles so that our children feel truly loved and treated with respect.

## 3. LOOK AFTER FINANCES

We want to be blameless regarding our handling of the donations that you entrusted to our good care. That is why we are committed to use the funds of this program exclusively for the children and their holistic support.

## 4. LONG-TERM PERSPECTIVE

We want the future of these children to be changed for the better and for the glory of God. That is why we make sure that our programs don't just help and impact the children in the present, but work to pave the way for their future through education, training, and mentoring.

## HOW DOES A CHILD BENEFIT FROM MY SUPPORT?

First of all, you show them that you care about them and their future and that they are precious. Your support as well as your frequent prayers and your letters will make a big difference in your sponsor child's life. For \$60 a month, you will help with giving your sponsored child access to:

- nutritious food
- education
- clothing and hygiene
- life-skills training
- medical care
- the gospel of Jesus Christ!

We are able to commit the full amount (100%) of your sponsorship donations to the direct support of the children.
