**MY STORY:**

I lived in very horrible circumstances with his parents. My father is a troublemaker and caused many problems that led him to prison for 2 years. My father always beat me and does not provide food for the family, especially not for me and my other siblings. Because we had to survive without getting food at home, I decided to join the street in search for food and survival.

WHOEVER IS GENEROUS
TO THE POOR LENDS TO THE LORD, AND HE
WILL REPAY HIM FOR HIS DEED.
