Getting Started — 3 Simple Steps

Step 1: Log In to Your Account

Visit <https://app.aiarticlegenerator.live/login> and click the "Get Started" button. Log in using the same email address you used for your WarriorPlus purchase. Your Pro subscription will be automatically activated.

Step 2: Generate Your First Article

Once inside the dashboard, navigate to Article Generator from the sidebar menu. Fill in:

Product or Topic — The affiliate product or niche topic you want to review

Product Website / Vendor URL — The sales page URL of the product

Your Affiliate Link — Your unique affiliate link (ClickBank, WarriorPlus, JVZoo, etc.)

Target Keywords — The keywords you want to rank for on Google

Content Style — Choose from Review, Comparison, Listicle, How-To, or Buyer's Guide

Click "Generate Article" and watch as the AI creates a 3,000–15,000+ word, fully SEO-optimized article in real time.

Step 3: Export & Publish

Once your article is generated, you can:

Copy to clipboard and paste directly into WordPress or any CMS

Export as PDF for lead magnets or downloads

Export as DOCX for further editing in Word or Google Docs

Publish directly to WordPress using the built-in integration

What's Included in Your Pro Subscription

Pro Tips for Maximum Results

1. Use long-tail keywords — Target specific phrases like “ProductName review 2025” for easier ranking
2. Check the SEO Checklist — After generation, review the SEO Checklist tab and aim for 90%+ score
3. Add your own experience — Edit the generated article to add personal touches for E-E-A-T signals
4. Publish consistently — Google rewards fresh, regular content. Aim for 2-3 articles per week
5. Use the FAQ section — The auto-generated FAQ schema helps you appear in Google’s “People Also Ask”
