Your AI Prompt Vault is ready (start here)

EMAIL BODY

Hey [First Name],

Thank you — your order is confirmed and your vault is unlocked.

Here's how to open everything in the next 2 minutes:

1. Download your file from the link below.
2. Unzip the folder — you'll find the 500-prompt PDF, the template pack, and this email series.
3. Open "AI_Prompt_Vault.pdf" and jump to whichever category you need today.

[DOWNLOAD LINK]

Quick win for your first 5 minutes:

Open Section 01, grab any Instagram caption prompt, paste it into ChatGPT, and swap the bracket for your niche. You'll have a post-ready caption before your coffee's cold.

If anything doesn't open, just reply to this email — a real human (me) reads every one.

Talk soon,

[Your Name]

TIP: Personalise [First Name] and [DOWNLOAD LINK] in your email tool before sending.
