Here’s some tones you can use in the above prompts.

Authoritative: This tone conveys confidence and expertise. It's used when the author wants to establish credibility or assert a point.

Informal: This tone is conversational and casual. It's often used in blogs, social media, and personal essays to create a sense of familiarity and ease.

Formal: This tone is professional, serious, and impersonal, often used in academic writing, business reports, and legal documents.

Persuasive: This tone aims to convince or sway the reader. It's commonly used in opinion pieces, sales pitches, and argumentative essays.

Descriptive: This tone is rich in detail and aims to paint a vivid picture for the reader. It's often used in fiction, travel writing, and food reviews.

Sarcastic: This tone uses irony and mockery to make a point, often used in satire, humor writing, or to criticize.

Inspirational: This tone aims to motivate and uplift the reader. It's frequently used in self-help books, motivational speeches, and personal development blogs.

Nostalgic: This tone evokes a sense of longing or reminiscing, often used in memoirs, historical fiction, and personal essays.
