

Pastor Sheri Sims

Adobe Academy Teacher • Media Production Professional • Pastor • AI Consultant • Educator

Professional Biography

Pastor Sheri Sims is an Adobe Academy Teacher with over 25 years of experience in media production and 21 years in education. She specializes in video editing, filming, and introducing high school students to real-world opportunities in digital and visual design. Adobe Premiere Pro and Photoshop certified, Sheri blends technical expertise with a deep passion for mentoring the next generation of creative professionals.

Her career is grounded in excellence, faith, and creativity. As a Pastor, she is passionate about serving God's people while helping churches embrace media and technology to expand their impact. From growing church AV ministries with volunteer teams to equipping students with hands-on industry training, Sheri is committed to empowering others through the creative arts. She is especially passionate about ensuring the church community stays connected and relevant in today's digital era.

Sheri's mission is to expose students to diverse career paths in digital production, helping them find their voice and confidently express themselves through media. Whether in the classroom, behind the camera, or in the pulpit, she leads with purpose, vision, faith, and heart.
