- 101. Budget coaching (\$ | 💰 | 🕒 🕒) - Helping others manage household finances

Getting Started Tips for Homeworkers

- 1. **Start with what you know:** Choose opportunities that build on your existing skills and experience
- 2. **Test the waters:** Begin with 5-10 hours per week while maintaining other income
- 3. **Use naptime and evenings:** Schedule work during predictable quiet times
- 4. **Batch similar tasks:** Group work that requires similar focus to maximize efficiency
- 5. **Use free tools first:** Start with no-cost options before investing in paid software

6. **Join parent entrepreneur groups:** Connect with others balancing similar responsibilities
7. **Set clear boundaries:** Establish work hours and stick to them
8. **Create a dedicated space:** Even a small corner can help mentally separate work from home life
9. **Leverage naptime or school hours:** Plan focused work during these predictable breaks
10. **Consider parent-friendly clients:** Some businesses specifically support working parents

Essential Free/Low-Cost Tools

- **Project management:** Trello, Asana (free tiers)
