

THE REVOLUTION OF ACHIEVEMENT™

The Future of Visionary Leadership and Outrageous Business Growth

Speaker's Introduction to be Read by the Esteemed Introducer [For Business]

Raise your hand, if you would love to see a revolution of achievement in yourself and in everyone who works for you?

Who here would love to see unprecedented growth in your business?

Who would love to have more free time to set the vision for your company and less time concerned with the day-to-day in your business?

Well, our speaker today, Christina Winters founded and built her own company to over \$250-million in assets and then sold it successfully for dramatically more than most people could even imagine.

Christina is now a Nationally Renowned Speaker and Luminary in the Consulting World, working with businesses that want consistent and rapid business growth.

Quoted in numerous publications including Forbes, interviewed on William Shatner's Moving America Forward Show, and recipient of a prestigious Lifetime Achievement Award, many have also heard her on her famous KRLD Show.

World-renowned for her program, The Revolution of Achievement: 7 Secrets of Leading with Outrageous Vision, Building Sales Superstars, and Discovering Purpose-Driven Success, Christina has spoken for numerous top organizations such as, We Lead, GILC, and Lincoln Investment.

Her forthcoming book and podcast, The Revolution of Achievement are due out next year.

Please give a warm welcome to your speaker today, Christina Winters.

THE REVOLUTION OF ACHIEVEMENT™

The Future of Visionary Leadership and Outrageous Business Growth

Speaker's Introduction to be Read by the Esteemed Introducer [For Motivational]

Raise your hand, if you would love to see a revolution of achievement in yourself and in everyone who works for you?

Who here would love to have an outrageous vision and purpose-driven success?

Who would love to have a revolution of achievement in your life, and build a powerful legacy?

Well, our speaker today, Christina Winters founded and built her own company to over \$250-million in assets and then sold it successfully for dramatically more than most people could even imagine.

Christina is now a Nationally Renowned Speaker and Luminary in the Consulting World, working with businesses that want consistent and rapid business growth.
