/I Grew up in the hood/ I understand/ the street mentality/
/That/ Philly/ Mentality/ really/ I/ can't get it out of me/
/It's apart of my DNA/ like/ ink/ infused/ to a page/
/It leaves/ it's/ signature/ mark/ signed/ across/ most of my days/
/But I/ couldn't/ let the streets/ adopt me/ well/ it wasn't/ for me/
/Since then/ I find myself/ in the middle/ livin'/ between/ two/ world's/
/The/ real world/ an the world/ of the hood/ are very/ different places/
/This can/ easily/ lead to an/ identity/ crisis/ ya feel me/ /
/Or/ maybe/ not/ if you were/ in my shoes/ maybe/ you would understand/
/I like ta be/ around water/ to soothe my soul/ an understand/

/All the thoughts/ in my head/ to paint the picture/ in demand/
/Come with me/ to my favorite/ spot/ to tell the story/ at hand/
/I'm/ staring out/ into the/ ocean/ from/ Atlantic City sand/
/Reflecting/ on/ everything/ in my life/ to grasp/ an understand/
/The depths/ of this/ mental labyrinth/ that I find myself/ imprisoned in/
/It/ only/ gets deeper/ an deeper/ as I/ tunnel in/
/Most important moments in your life/ the day you're born/ an when you find out why/
/That's why I burrow in/ to find/ all the answers/ to the why's/
/It ain't/ complicated/ for my/ questions/ I/ found the answers/
/But/ the people I'm around/ don't have a clue/ that's where the/ problems lie/

/The people/ I'm around/ they jus/ tryna slow me down/
/They/ not/ understandin' my moves/ so they/ try ta/ control my moves/
/They don't/ understand my plan/ of creating/ an/ UberEmcee/
/The dynasty/ I'm creating/ around/ my/ company/ Ü-V/
/Unfortunate/ for me/ I accumulate/ a lot of jealousy/
/Unfortunately/ my teams/ not/ excluded/ from that/ sentiment/
/People/ tryna sabotage/ my album/ make it look like/
/I'm incompetent/ a chock artist/ afraid ta/ step in the/ spotlight/
/Between/ down playin'/ my/ capabilities/ an the/ disrespect/
/From/ people/ who/ supposed ta/ have my back/ I swear/ feel like less/

/Add/ relationship/ issues/ my life/ is feelin' like a/ mess/
/With/ suicidal thoughts/ but I can't leave/ an walk out/ on this test/
/Got niggas/ flirtin' with girls/ that they think/ I'm talkin' to/
/Right in front of me/ people will do it/ dawg/ jus ta/get a leg up you/
/I know/ cuz I've had it happen/ yet/ they try ta/ say we/ friends/
/I ain't dating her/ if I was/ she would/ know/ better/
/An/ if we were/ really/ friends/ dawg/ you would/ do better/
/But we/ acquaintances/ at best/ I guess/ I/ should/ do better/
/So/ I been/ cutting people off/ left an right/ ta/ get better/
/But they/ never understand/ my point of view/ or see it through me lens/

/I get treated/ like I'm/ one track minded/ an/ ill-tempered/
/Erratic/ crazy/ an everything else/ when callin' them out/ on BS/
/An they/ go an use it/ as validation/ for treating me/ bad/
/Not seeing/ I'm/ multi/ di-men-sion-al/ an versatile/ this shit is wild/
/In/ many settings/ well-mannered/ will let a argument/ simmer/
/Until it subsides/ an everything is/ copesthetic and centered/
/For some/ it's better/ they/ stay where they at/ they simply jus/ can't adapt/
/Cuz they can't/ accept/ the responsibility/ of buildin'/ character/
/But you/ can't give character/ to a person/ that would/ rather/ be a act/
/Cuz it/ doesn't require/ any/ self reflection/ or/ any/ action/

/The anonymity/ of nepotistic/ an/ how it/ never favored me/
/Low key/ everybody's/ a hypocrite/ but/ always/ expected me/
/To be/ there/ for there/ idio-syncra-sies/ while it/ brings me/ to my knees/
/Into/ submission/ but/ this ain't my mission/ so/ I think/I'ma/ have to leave/

IT CAN LEAVE YOU FEELING, ISOLATED, ALONE....

THIS IS ESPECIALLY TRUE BASED ON HOW THOSE SAID PEOPLE TREAT YOU IN YOUR EVERY DAY LIFE.

WHEN YOUR FEELING THESE STRONG FEELINGS OF HATRED, IT'S ALWAYS GOOD TO HAVE A SAFE PLACE FOR YOU TO VENT

IF YOU DON'T....WELL, I ADVICE OTHERS TO BE CAUTIOUS, WHEN APPROACHING TO CONVERSE...

MEME LORD

INTRO
MEME

2. AN AMUSING OR INTERESTING ITEM (SUCH AS A CAPTIONED PICTURE OR VIDEO) OR GENRE OF ITEMS THAT IS SPREAD WIDELY ONLINE ESPECIALLY THROUGH SOCIAL MEDIA

SHOUT OUTS

I want to thank God, my lord an savior Jesus Christ for all that he's done for me. Even though I may not agree with the paths he sends me down at times, I know that he always has my best interest at heart as well as the interest of everyone connected to my path...for everyone connected to me and my life (this is for the ones that I DON'T want around), your lucky I care about what God wants an not ya'll, cuz ya'll suck!!! 2ndly, I like to thank my team (Christopher Marc & MYSELF), we literally did AAAAAALL the work. From the ground up, the label, parent company, marketing/promotion...EVERYTHING!!! (The list of everything is to long to type)

Last (but certainly never least), I want to thank the fans and all the supporters. All of you have truly warmed my heart because truth of the matter is that this wouldn't have happened without ya'll...no, seriously, no one likes me like that (no joke), so thank God for ya'll.

Until we the next time....which will be veeeeery soon.

HOLLA @ ME!!!!!
