About Harley

Harley Gervais brings a rare combination of judicial authority and real-world executive insight to every stage she steps onto. Drawing on a distinguished legal career — including experience as Supreme Court legal counsel and service as a Justice of the Peace — Harley translates high-stakes decision-making, conflict resolution, and procedural clarity into practical frameworks audiences can use immediately.

She is known for a direct, energetic delivery style that blends courtroom-level rigor with genuine warmth, helping leadership teams, associations, and conference audiences move from insight to action. Fully bilingual, Harley delivers keynotes and workshops across North America in both English and French.
