TONIGHT'S WORKSHEET

Your Career Diagnosis

Fill this in as we go, nobody else will see this page.

1 What job are you going after next? Why that one?

If you draw a blank, write 'don't know'... this is really good information

2 Which stage do you feel most stuck at right now?

Circle one

Permission | Career Filter | Possibility Map | The Contenders | Launch Plan

3 Tick whichever is closest to where you are

- ☐ I have never built a proper list of options
- ☐ I have a list, and no way to choose between them
- ☐ I've been applying for jobs, but it isn't going anywhere

I've been stuck because…

4 How long have you been thinking about making a change? What has it cost you so far?

5 The thing I've been guessing at, rather than deciding, is...

6 What do you need next?

Circle one

A new job | A completely different kind of work | Not sure yet

The next decision I have to make is... *(not the answer, just the decision)*
