CHECKPOINT 03 - ROADMAP

Turn the destination into a sequence so today's work is obvious.

THIS MUST BE DONE BEFORE MOVING FORWARD

- ☐ I defined the current milestone.
- ☐ I separated NOW, NEXT and LATER.
- ☐ I identified the skill or information I need for the current milestone - not the whole business.
- ☐ I wrote a Definition of Done for the current milestone.
- ☐ Ideas that do not help the milestone are parked.

DEFINITION OF DONE

I know what I am doing NOW, what comes NEXT and what I am refusing to build yet.

ALL COMPLETE? > NEXT: 04 - BUILD

NOT COMPLETE?

Continue the task, OR deliberately skip it and write why. Your roadmap is allowed to change.
Change it from evidence, not boredom.
