LEAVE BEHIND FLYER INSTRUCTIONS

This flyer is designed for participating businesses to display or hand out to customers. It promotes their CommuniTees shop while also helping you find other local businesses to feature.

Before using it:

1. Customize Your CommuniTees Logo
Replace CommuniTees-XYZ with your customized CommuniTees logo.

2. Add Your Contact Information
Replace the sample name, phone number and email address with your own.

3. Add Your Shop QR Code
Use the Shop QR Code you created in the Start Here template and place it in the top QR code area. This takes customers directly to the CommuniTees shop.

4. Add Your Email QR Code
Use the Email QR Code you created in the Start Here template and place it in the bottom QR code area. Customers can use it to contact you or recommend another local business.

5. Customize the Flyer
Change CommuniTees-XYZ to your city or community and adjust any wording you'd like.

6. Give It to the Business
Leave a few copies with participating businesses to display near the register, on a counter or anywhere customers will see them.

Remember: This flyer does more than promote shirts. It can also help introduce you to your next CommuniTees business.
