

Voice to Volume: a one-page summary

Prepared for: _____

What it is	A finished book written from the pastor's or leader's own sermons, teaching or story, with reflection and small-group questions, reviewed and approved chapter by chapter
The Message Book	\$3,995 (from 6 to 10 recorded sermons or teaching sessions; 25,000 to 40,000 words; about 10 weeks)
The Mission Story	\$5,495 (up to six interviews; 30,000 to 50,000 words; donor pages; about 12 weeks after the last interview)
With publishing setup	Add \$500: formatting, cover and guided setup on your own Amazon account
Optional	Small-Group Leader Guide: \$495
Payment	40% to begin; 30% when the first chapter is approved; 30% on delivery. Invoiced to the church or organisation on request; W-9 provided
The First Chapter Promise	If the first chapter doesn't sound like the author, the project can stop there with a full refund except a \$500 planning fee
Ownership	Every right and every royalty belongs to the author or the church or organisation, as agreed in writing before work starts. Hundredfold claims nothing
Publishing	On the church's or author's own account; author copies at printing cost for small groups, newcomers and events
Faith	We serve churches and ministries across denominations, write within historic Christian faith, and leave secondary matters to the author
Tools	AI tools help draft from the author's own recordings; every chapter is reviewed by an experienced writer and approved by the author
