For ages 2–8 and the grown-ups who love them

HI, GROWN-UPS!

1. **Print** on plain paper, one page at a time. Crayons or colored pencils work best.
2. **Color** the picture of everything God made, and talk about it together: God made the whole world, and He made you!
3. **Find the way** to church in the maze. Little ones can trace it with a finger first.
4. **Learn a verse** in three easy steps: trace it, fill it in, then say it from memory.
5. **Take the last page to church** and fill it in after the service. Little ones can draw, and you can write their words.
