Board Kaam Kyun Nahi Karta?

90% log tasveerein lagate hain, 2 hafte dekhte hain, bhool jate hain.
Ghalti unki nahi - ORDER ki hai. Pehle tasveer, baad me soch = decoration.

Sahi System - 3 Steps

- Step 1: Pehle 5 goals LIKHO - number + tareekh ke saath ('Zyada paisa' nahi, 'Dec 2027 tak pehle $10,000')
- Step 2: Har goal ki EK tasveer - jo dekh kar dil hile
- Step 3: Har tasveer ke neeche is hafte ka EK chhota action

Is Pack Me Kya Hai

- Pages 3-5: 5 categories - goal prompts, image ideas, board words
- Page 6: My 5 Goals worksheet (likhne wali jagah)
- Page 7: Ready board layout - bas copy karo
- Page 8: Phone wallpaper board - din me 100 reminders
- Page 9: 7-Day Action Plan - asal jaadu yahi hai
- Page 10: Pehle hafte ka tracker + agla step

Pehle poora pack parho, phir board banao. Order hi system hai.
