STOP.

Hang up and call _____ first at _____ if anyone:

- [ ] Asks for gift cards, wire transfers, crypto, or a cash pickup
- [ ] Says you owe the IRS, Medicare, or Social Security and must pay today
- [ ] Says your computer has a virus and asks to connect to it
- [ ] Says a grandchild or relative is in jail or the hospital and needs money
- [ ] Tells you to keep it secret or stay on the line
- [ ] Sends a text with a link about a package, toll, or locked account
- [ ] A TV ad says “call now” or the offer ends today

Sounds like family? Ask for the family code word. Then call back on a number you already know.
