ROSIE'S CAKE STUDIO

Plan Your Cake

Seven things to decide before you order, so your cake is exactly what you pictured.

- [ ] **1. The date and the time**
  When is the celebration, and when must the cake be on the table? Order early for busy weekends.
- [ ] **2. How many guests**
  This decides the size and the number of tiers. Count children and adults.
- [ ] **3. The flavour**
  Pick one or two favourites, such as vanilla, chocolate or red velvet. Ask about allergies.
- [ ] **4. The look**
  Choose your colours and decorations. Save two or three pictures you love to show me.
- [ ] **5. The message**
  Should there be a name, an age or a short message on top? Write the exact words.
- [ ] **6. Delivery or collection**
  Who will pick it up, or where should it go? Keep it flat and cool on the way.
- [ ] **7. Your budget**
  Tell me what you would like to spend. A clear number helps me suggest the best fit.
