V VISION

VOICES CHALLENGE | VIDEO 1 OF 6 | DAY 1

SECTION 1 OF YOUR 30 DAY VOICES LEADERSHIP GROWTH PLAN

A LITTLE INFORMATION

Vision is not fantasy. It is direction with enough meaning behind it that you are willing to make uncomfortable decisions in service of it.

You do not need to know every mile of the route. You need to know what kind of life you are trying to build, why it matters, and what the next honest step looks like.

JJ's own vision rarely arrived as a perfect picture. More often it appeared as a refusal: I will not stay here. I will not repeat this cycle. I will not waste what I have survived.

THIS WEEK'S ACTION STEP

1. Choose one area: leadership, work, relationships, health, money, faith, or personal growth.
2. Describe what better looks like six months from now. Not how you will feel. What would be happening differently.
3. Ask why it matters. Then ask why again, until you reach something deeper than status or approval.
4. Finish with one action you can complete today, with what you have.

WHEN YOU HAVE DONE THE STEP
