About me

I have recently transformed my passion as an open water swimmer into a short film project ready for shooting. "Aqua Tale" tells the story of how the archaic entities of Lake Vico in the Tuscia area give the passionate swimmer Aqua the strength to fight the eco-mafia and overcome the pain of the death of her beloved.

I am an Anglo-Italian bilingual actress, dubber, singer and acting coach and have dual nationality. I teach Performative Techniques at RUFA - Rome University of Fine Arts.

Please check me out on my website www.alexelton.com and browse through my e-Book "Recitazione Bilingue".
