NOTES

Congrats to you on your engagement! 🎉
This is just the beginning of a grand adventure.

I hope that my Wedding Planner brings some clarity and peacefulness to your planning.

It can get a little hectic and overwhelming with all the choices but I want every couple to know that you can have the day of your dreams without the stress or breaking the bank. It should be fun!

If you are looking for a wedding officiant that will ensure that your ceremony is special, coordinated, and memorable, I would love to be that for you!

Because your love deserves more than a cold court room!
