2. Identify Your Perfect Customer Path

Who is your perfect community member? Map out their struggles and the transformation they are searching for.

Who is my perfect member?	
What problem are they stuck in?	
What transformation do they want?	
What free value would make them join my community?	

3. Build the Foundation for Recurring Income

Draft your Founding Member Promise. This should share what early members will receive for joining (free access, affiliate commission, etc.).
