## **Why This Plan Exists**

If you're like most beginners, you've got the ambition... but too many moving parts.

You've downloaded the bundle, watched the training – and now you're thinking,

“Where do I even start?”

This plan gives you the exact daily roadmap to create your first funnel, start generating leads, and see results – all in under a week.

You don't need perfection.

You need momentum.

## **Day 6 – Share Your Funnel**

Post your offer in 3 places:

- Facebook groups (relevant to your niche)
- Your social media bio
- With friends or past leads

## **Day 7 – Track & Celebrate**
