

QbestAccounting – CPA Partner Brief

QuickBooks Online specialists supporting U.S. CPA firms and accounting practices.

Helping CPA firms expand bookkeeping capacity without hiring additional staff.

QbestAccounting provides structured QuickBooks Online bookkeeping support for CPA firms. We operate as a back-office extension of accounting practices while the CPA firm maintains full ownership of client relationships and advisory work.

Core Services

- Monthly QuickBooks bookkeeping and transaction review
- Bank and credit card reconciliations
- Financial statement preparation and month-end close
- Catch-up and cleanup bookkeeping
- QuickBooks Online setup and optimisation

How the Partnership Works

CPA Firm: Client relationship, billing, advisory and tax preparation

QbestAccounting: QuickBooks bookkeeping, reconciliations and financial reporting

Typical White-Label Pricing Guide

Service	Typical Range (USD)
Small business bookkeeping (≤ 150 transactions)	\$350 – \$550 / month
Growing businesses (150–400 transactions)	\$550 – \$900 / month
Higher-volume clients	\$900 – \$1,500+ / month
Cleanup / catch-up bookkeeping	\$1,200 – \$3,500 project
QuickBooks setup / optimisation	\$500 – \$1,500 project

Actual pricing confirmed after consultation based on QuickBooks file review, transaction volume and account complexity.

Professional Standards

- Work performed directly inside QuickBooks Online
