

Cookie Policy Anfrinit

****Last updated:**** November 14, 2025

This Cookie Policy explains how Adrienn Csongor Domotor ("we," "us," and "our") uses cookies and similar technologies to recognize you when you visit our website at <https://www.anfrinit.com/>. It explains what these technologies are and why we use them, as well as your rights to control our use of them.

For more information about our privacy practices, please see our Privacy Policy: https://www.anfrinit.com/en_/privacypolicy

In some cases we may use cookies to collect personal information, or that becomes personal information if we combine it with other information.

What are cookies?

A cookie is a small data file that is placed on your device when you visit a website. Cookies are widely used by website owners in order to make their websites work, or to work more efficiently, as well as to provide reporting information.

Cookies set by the website owner (in this case, Adrienn Csongor Domotor) are called "first party cookies". Cookies set by parties other than the website owner are called "third party cookies". Third party cookies enable third party features or functionality to be provided on or through the website (e.g. like advertising, interactive content and analytics). The parties that set these third party cookies can recognize your computer both when it visits the website in question and also when it visits certain other websites.

Why do we use cookies?

We use first and third party cookies for several reasons. Some cookies are required for technical reasons in order for our Website to operate, and we refer to these as "essential" or "strictly necessary" cookies. Other cookies also enable us to track and target the interests of our users to enhance the experience on our Online Properties. Third parties serve cookies through our Website for advertising, analytics and other purposes. This is described in more detail below.

The types of cookies we use

The specific types of first and third party cookies served through our Website and the purposes they perform are described below:
