WELCOME TO BRADFORD ESTATE, LAKOWE, IBEJU-LEKKI

An estate-inside-an-estate.

7 years ago, you could have bought a plot of land here for N3 million only.
This past December it was sold at N16 million. Just think what it would be worth
5 years from now.

"If only I had bought it back then."

Does this sound familiar?

Almost everyone has an "If Only" story about the Lagos real estate.

The image above is the entrance gate of a very profitable and secured real estate investment.

You have the opportunity to own an investment in a high-profile environment inside one of the most exclusive estates in Lagos — Bradford estate, Lekki.

Bradford estate in Lekki is a dream come true. It's an estate-in-an-estate that makes you feel secure and well-protected.

Before you continue reading

Let me suggest that you act on this opportunity while you have a chance.

Treat this like you would do any highly profitable, sensible proposition and get all the facts you need.

We'd be glad to send over any information you need to make an informed decision.

Investing in a location like this makes you an owner of a prime Lagos real estate.

It immediately gives you the pleasure of being a landlord in a luxury location.

Here, you can enjoy a safe and secured investment (no omonile wahala or encroachment).

You also get to start building in this ever-appreciating location as soon as you can!

Now open to the public, it offers only 35 serviced plots of land.

If you're not convinced already, here are 5 more reasons why you should invest into Bradford Estate "ready to build" serviced plots now.

1. The Location is Prime Located inside the already developed Adiva plainfield, akowe Lekki, it is about a 5-minute drive from Coscharis Motors.

It is also located beside other developed estates like Lakowe Lakes Golf and Country Estate, Beechwood Estate, the list is endless. It is after all an estate-in-an-estate.

2. Massive return on Investment.

Bradford Estate has high-quality infrastructure and amenities, recreational areas, green zones, a functional drainage system that can effectively manage torrential rains, and a beautiful lake for recreational purposes.

Here's the real gist. It is estimated that a plot of land in this location would be sold at 30-45million within the next 3-5yrs, factoring in the conclusion of the Dangote refinery, the massive influx of new residents, and other economic growth drivers!

3. Aesthetics & Serenity

If you ever visited Bradford estate, you would know this for a fact: you won't see more well-planned and organized estates like this around.

You could describe this location as serene, peaceful, nature-inspired, and high-profile.

4. Good Title

Your investment would be having a valid C of O.

A deed of assignment is issued to clients on completion of payment.

5. High Resale Value

You are guaranteed of a comparative high resale value should you decide to liquidate your investment in the future.
