

Bonus #2: Canva Content Calendar Template

AI Ready Content Calendar-Plan, Create, and Post with Consistency

What This Is

A plug-and-play **30-day content calendar** you can edit right inside Canva. Use it to plan out your social posts across platforms, stay organized, and keep your marketing consistent.

Consistency = visibility → visibility = more sales. This calendar keeps you on track.

How to Use It

1. **Duplicate the Template** inside Canva.
2. **Fill in Dates** across the month.
3. **Choose Post Types** → Reel, Story, Blog, Email, Ad, etc.
4. **Assign Topics or Prompts** from the AI Prompt Vault.
5. **Set CTAs** (comment, click, share, buy).
6. **Mark Status** → Draft, Scheduled, Posted.

Use color coding for platforms (e.g., Blue = Facebook, Green = Instagram, Red = TikTok).
