#1

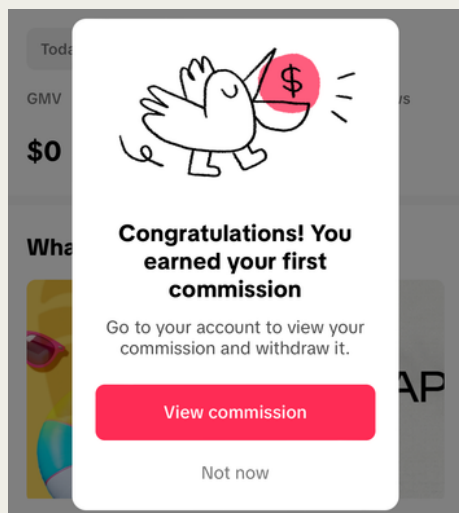

Amazon Product Reviews!

Did you know Amazon has a program where you can get paid for creating product reviews similar to TikTok Shop Affiliate Program only difference is you don't need to post these videos to your personal social media account!

The videos get posted directly on Amazon & when someone purchases a product after viewing your video and using your "AFFILIATE LINK" then you receive a commission for that purchase.

- You don't need a big following can get approved with under 1k followers
- Once declined you have unlimited chances to reapply
- Post products you already own around your house

UGC

UGC also known as User Generated Content-Is content created by individuals rather than brands or companies. It can include posts, videos, reviews, and more shared by everyday people on social media platforms.

UGC is authentic, engaging, and can be a powerful tool for businesses to connect with their audience.

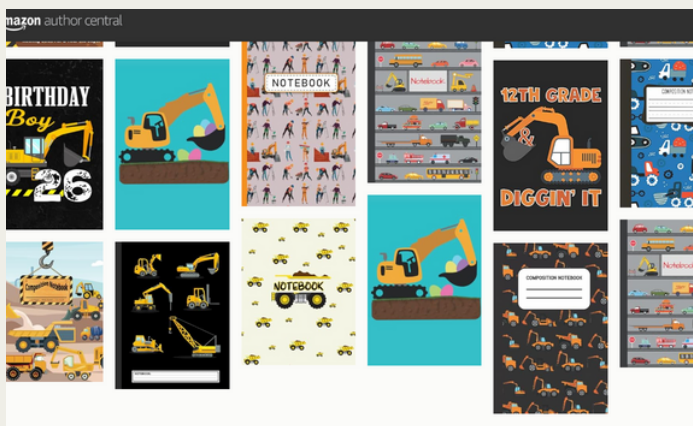

I landed my first UGC Collab with ONLY 800 followers by thinking outside the box 7 what could catch their attention to want to work with me out of all the other creators.

#4

Amazon KDP

Amazon KDP (Kindle Direct Publishing) is a platform where you can self-publish your own books and reach a global audience. With Amazon KDP, you can earn money by selling your eBooks on the Amazon Kindle Store. It's a great way to share your stories, knowledge, and expertise with readers worldwide while making money from your writing passion.
