

Navigating the Unknown: The F.O.G. Framework for Men

**F — Follow what
God has revealed.**

Act on the instructions you
already have instead of
waiting for new ones.

**O — Obey despite
uncertainty.**

Acknowledge your fears
and risks, but do not
let them replace
obedience.

**G — Go one
faithful step at
a time.**

You don't need a full map
to have the courage
to move
forward.

Strength in Brotherhood

You are not meant
to climb alone.

**Courage through
Connection.**

Navigating the fog is easier
when anchored by a
community of faithful men.
