

50 Ways to Make Money With PLR Products

Mark Stacy - www.StacysThings.com

Private Label Rights (PLR) products are a goldmine for anyone looking to make money online - even if you're brand new. With PLR, you get ready-made digital products that you can edit, rebrand, resell, or give away. That means no creating content from scratch, no inventory, and no crazy tech skills required. In this guide, you'll discover 50 powerful ways you can use PLR to start or grow your digital business today. Let's get into it.

Sell PLR for Profit

1. Sell eBooks on your website
2. Bundle several PLR products together as a "super deal"
3. Create a "PLR vault" or membership site
4. Sell video courses as your own
5. List PLR on marketplaces (like Etsy, Gumroad, Payhip)
6. Offer products as digital downloads on your blog
7. Use TikTok, YouTube or Reels to drive traffic to your PLR offers
8. Run limited-time "flash sales" for urgency
9. Flip PLR into Amazon Kindle books
10. Sell private access via Facebook groups

Use PLR to Grow Your Audience

1. Give away a free PLR eBook to grow your email list
2. Offer free checklists or cheat sheets on social media
3. Create a free lead magnet funnel using PLR
4. Host a free mini-course from a PLR video series
5. Use free PLR gifts to grow a Facebook group
6. Turn a PLR blog post into a downloadable PDF
7. Make a "starter pack" from PLR templates or guides
8. Use PLR content in your email newsletter
9. Offer free printables (PLR) for homeschooling, productivity, etc.
10. Use PLR to build trust and authority in your niche

Use PLR to Create Your Own Products

1. Create a full online course
2. Turn PLR into a digital planner or workbook
3. Rebrand and sell a complete funnel
4. Make a paid newsletter or membership offer
5. Create your own affiliate training system
6. Package into a paid challenge or coaching bundle
7. Turn content into a "\$27 tripwire" offer
8. Build a niche-specific toolset (like fitness, self-help, biz)
9. Develop a content subscription service
10. Create a coaching package using PLR as training

Use PLR to Boost Your Marketing

1. Write daily emails from PLR content
2. Post social media content using done-for-you PLR text
3. Use PLR for your blog or Medium page
4. Create Pinterest pins linked to your PLR products
5. Make a TikTok series based on PLR lessons
6. Use PLR videos as social proof (with rebranding)
7. Turn a PLR product into a webinar script
8. Use PLR for podcast episode outlines
9. Automate posts with social media PLR packs
10. Build SEO traffic with PLR blog content

Sell PLR as a Service

1. Sell "ready-to-go" ebook setups for other marketers
2. Offer rebranding services (covers, content edits)
3. Build websites or landing pages using PLR
4. Sell content repurposing as a gig on Fiverr
5. Offer done-for-you funnels with PLR products included
6. Create YouTube channel starter kits with PLR
7. Design branded printables and planners from PLR
8. Sell affiliate marketing kits (guides, banners, lead magnets)
9. Package and sell niche blog starter packs
10. Offer coaching on how to use PLR effectively
