

# Jason 'Rash' Ryder's Cruising Testimonials

## **Carnival Spirit – Comedy Club Manager**

Jason Rash Ryder", is one of the greats! His time in the comedic world has truly paid off.

I have been in the entertainment industry for over 30 years and have had the pleasure of working with this icon for two years now. He is the type of comedian who can perform to both young and old alike, which is truly unique.

I am a comedy club manager and have seen many acts come and go, and Rash's sense of humor is one that is unique and is a crowd pleaser. Working in a comedy club, it is important to get the feedback from your patrons and I have yet to hear a single negative response about Rash's shows - "Bring on the Rash" & "Crunchy the Whale Towel".

You're a legend mate. Saw you on Carnival Spirit on the recent Moreton Island cruise. Your joke about the claw on the back of the ship had me in stitches mate. Hope to see you on a cruise sometime again soon.
