Income Disclosure for Master Resell Rights Digital Product

Please read this Income Disclosure before engaging in the distribution or resale of the Master Resell Rights Digital Product ("Product"). Income from the distribution or resale of the Product is not guaranteed and may vary. Individual results depend on factors such as marketing efforts, sales skills, and market demand. The income examples provided are exceptional cases and do not represent average earnings. Any estimates or projections are based on assumptions and may not reflect actual earnings. Engaging in the distribution or resale of the Product may involve expenses, and success depends on individual actions and decisions. Seek professional advice before starting any business venture. By engaging in the distribution or resale of the Product, you acknowledge and accept these conditions.
