

Mr. Wigglesworth's Froggy Friends

by Jeffrey W Tombaugh - 2025

Mr. Wigglesworth loved his little house and his beautiful garden. Most of all, he loved the pond.

**In his pond lived many friendly
frogs. They were his special pets!**

Every morning, Mr. Wigglesworth
would visit his frog friends.
"CROAK!" they would shout happily.

CROAK!

CROAK!

He would sit by the pond, and the frogs would hop all around him, sometimes even on his hat! The End
