

THE GREAT FRUIT ESCAPE

A Story About Gabby Grape & Barry Banana

by Jeffrey W Tombaugh-2025

Once upon a time, in a fruit bowl not so far away, lived a bunch of happy grapes and a bunch of cheerful bananas.

One sunny morning, a plump, purple grape named Gabby giggled, "Good morning, Barry Banana! What wonderful adventures will we have today?"

Barry, with his sunny yellow peel, winked, "Perhaps we'll pretend to be a train, Gabby! Choo-choo all the way to the kitchen counter!"

Then, a little green grape named
Gigi whispered, "Look! A giant
hand is coming! It's time for our
great escape!"

Whee!

The fruit bowl rumbled as the giant hand picked up Gabby. "Whee!" she shouted. "I'm flying!"
