

EI #14a Marine (Shell) Spiral Energy

Divine proportions of the Fibonacci sequence

Amazing pattern that appears everywhere in nature - shells, flowers, beautiful faces, cycle of solar system, DNA, weather patterns etc etc

Sum of the previous 2 numbers.

Closely related to phi/golden ratio seen in human body ratios, wonders of the world like the pyramids etc

Metaphysics

Getting back to ratio that works for you.

Your natural innate rhythm and flow coming from an intuitive self not an analytical self

The perfect ratio for you

Being aligned with the perfection of nature

Events in life are the sum of the previous two. So what do you need to do now for the future to shift

Empowering yourself to be true to yourself - authenticity

Tools / Resources

Shells / shell cards / shell images on iPad

Evaluation:

1. Mode in circuit - IM unlock
 2. Body scan where to hold shell (if there is pain CL here first) - look for 1st lock for each of the following
 3. Which shell
 4. Which direction to hold shell
 5. How long to hold shell there
 6. Who holds it? Client/practitioner
 7. Close circuit
 8. Find emotion
- (If working with pain. Client to assess pain 1-10)

Balance:

1. Hold shell as per evaluation - vibrational frequency from shell to realign this field while discussing metaphysics

Checking changes:

- 1 CL over area - should now lock
 2. Check emotion
 3. Check mode
- (If working with pain. Client to re-assess pain 1-10)

If Client Is In Pain & Not Testable

1. Have client place shell onto painful area
2. Consistently check in with client on pain level
3. Adjust shell as needed until relief is obtained
