Using up your scraps layout idea

1. Select six coordinating papers and cut them into 3"x3" squares
2. Use two 12"x12" cardstock for the layout base, we used Smokey Grey.
3. Select your pictures. We used two 4"x4", 4"x6", 3"x6" picture sizes.
4. Cut three square diagonally to create triangles or glue the square down to the layout and hand cut the excess square piece;
5. Decorate. your page with title, stickers, and embellishment.

Supplies can be purchased at francisames.stampinup.net
