The decision of the Arbitrator appointed thereunder shall be final and binding and judgment on the Award may be entered in any Court of competent jurisdiction.

9. INFORMATION RELEASE. The client(s) herein understands and approves the release of all documentation relating to this agreement and other parties associated with the closing of a new or the loan and/or rehabilitation of the property and all parties related to funding aspect. Client(s) grants permission to the Consultant to use photographs taken in connection with this consulting agreement in advertising and promotional material.

10. CLIENT(S)'S ATTENDANCE. The inspection service is conducted at the property. The physical on-site inspection of the property is a very valuable time of exchange of information between the Company and the Client(s). Any particular concern of the client(s) must be brought to the attention of the Company before the inspection begins. The written report will not substitute for client(s)'s personal presence during the inspection. It is virtually impossible to fully profile any building with any reporting system. Unless Client(s) attends and participates in the inspection process itself, the client(s) will have no chance of gaining all of the information that is offered. If Client(s) does not attend the inspection, this Agreement becomes effective upon commencement of the Inspection.

Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This information collection involves an expanded information requirement for lenders that originate and service Section 203(k) mortgages. The purpose of the information is to help mitigate program abuses. The expanded information focuses on the loan origination process and requires increased documentation and strengthened internal control procedures. Periodic reporting of the information is not required. The information also includes information that was voluntarily accepted by the 203(k) lending community. The information provides a more comprehensive basis for evaluating lender underwriting practices and thereby improves risk management of the 203(k) loan portfolio. Responses are required to obtain benefits under Section 203(k) of the National Housing Act (12 U.S.C. 1703). No assurance of confidentiality is provided.

This draw request is submitted for payment. All completed work has been done in a workmanlike manner. I hereby certify to the actual costs of rehabilitation as shown above in column 3. I understand that I cannot obtain additional monies from the rehabilitation escrow account without the approval of the lender. I also understand that a 10% holdback will not be released until all work is complete and it is determined that no mechanic's and materialmen's liens have been placed on the property. After the final inspection, the monies in the escrow account will be distributed as required by the 203(k) program procedures.

Instructions: Prior To Appraisal

1. The Consultant or Plan Reviewer meets with the borrower (and contractor, if there is one) at the site to determine if cost estimates are acceptable. The cost of labor and materials (including overhead and profit, where necessary) must be shown. Borrowers doing their own work must include labor and material, in case they are unable to complete the work due to some unforeseen circumstance, and they must later subcontract out the work. Upon completion of the review, and if the cost estimates are acceptable, the Consultant or Plan Reviewer must sign the certification and return all exhibits to the lender.

2. Lender send exhibits and a copy of the Draw Request form to the appraiser. The appraisal cannot be performed unless the Consultant or Plan Reviewer has signed the certification on the Draw Request form. Appraisers are instructed not to add additional work items to the list of construction items without the Consultant or Plan Reviewer assuring that the cost estimate for additional items are acceptable and included on the Draw Request form.

Instructions: During Construction:

1. If any construction work items were completed prior to closing the loan, an inspection of the work can occur one day after closing.

2. Borrower/contractor completes column 2 "Previous Draw Totals" with percent of completion on any of the construction items. On the first draw inspection, this column will be left blank. On subsequent draws, show the accepted amounts shown in columns 3 and 4 (from the previous draw).

3. Borrower/contractor completes column 3 "Request for This Draw" with the **actual cost of rehabilitation**, which includes materials, labor, overhead and profit. Materials cannot be paid for until they have been acceptably installed. For the investor/builder using the Escrow Commitment Procedure, the cost savings will be added to the escrow amount that is held by the lender for release when an acceptable owner-occupant assumes the loan.

The inspector will complete column 4 for each line item that is necessary to be adjusted. If no adjustments are required, column 4 will remain blank. In no case can the inspector approve a release of funds in excess of the amount requested by the borrower in column 3.

The DE Underwriter or the lender's authorized agent may reduce the amount of funds accepted (or revised) by the inspector by completing (or correcting) the amount shown in column 4. Where a correction has been made by the inspector or the lender, the revised total amount will be shown in line 36, column 4. When the DE Underwriter or the lender's authorized agent is satisfied with the Draw Request, the bottom of the form approving the release of funds will be completed.

After the final draw inspection, cost savings can be adjusted to pay for cost overruns in other construction items or additional improvements to the property that are approved by the Direct Endorsement (DE) Lender. An additional administration cost can be allowed under certain circumstances. Any remaining cost savings must be applied to the mortgage principal and will create greater equity in the property.

Example 1: If column 1 for Drywall is estimated for completion at \$1,500 and the work is 50% complete, but a signed contract is for \$1,200, then the Request for This Draw in column 3 cannot exceed \$600.

Example 2: If column 1 for Drywall is estimated for completion at \$1,500 and the work is 50% complete, but a signed contract is for \$1,800, then the Request for This Draw in column 3 cannot exceed \$750. At the end of rehabilitation, cost overruns can be adjusted for, provided there were savings in other construction items that were approved prior to closing.

4. The borrower and contractor must sign the certification on the Draw Request form. If a dispute exists, the lender must try to mediate the dispute to assure there are no mechanics or materialmens liens placed on the property. The lender may make checks out in both the borrower and contractors name to ensure proper distribution of escrowed funds and to assure no mechanics or materialmens liens. The borrower or contractor may initiate legal proceedings if an equitable agreement cannot be reached.

5. Under no circumstances can any construction item be paid for without the work being acceptably installed (e.g., materials on site cannot be included in the draw request). Upon completion, the inspector signs the Draw Request form, and the Rehabilitation Inspection Report and returns this form to the DE Lender, if applicable. The cost of the inspection should also be completed.

6. The DE who controls the Rehabilitation Escrow Account must provide an accounting of the escrow account to the borrower and HUD, showing the status of all monies in the escrow account. After the acceptable receipt of all necessary documentation, the escrow release (less 10% holdback) should occur within 48 hours. The accounting system must comply with Handbook 4240.4.

U.S. Department of Housing and Urban Development
Office of Housing
Federal Housing Commissioner

Condition of Property: I understand that the property I am purchasing is not HUD approved and HUD does not warrant the condition or the value of the property. I understand the HUD plan review (where performed) and the appraisal are performed to determine compliance with the required architectural

exhibits and to estimate the value of the property, but neither guarantees the house is free of defects. I understand I was responsible to have an independent consultant and/or a professional home inspection service perform an inspection of the property and the cost of the inspection was (or could be) included in the mortgage.

Loan Requirements

• I understand at the time of the loan closing of an FHA-insured 203(k) Rehabilitation Loan, for which I have applied to my lender, the proceeds designated for the rehabilitation or improvement (including a contingency reserve, mortgage payments and any other fees, where applicable) are to be placed in an interest bearing escrow account. The Rehabilitation Escrow Account is not, nor will it be treated as an escrow for the paying of real estate taxes, insurance premiums, delinquent notes, ground rents or assessments. I hereby request the lender, after the Final Release Notice is issued, to:

- Pay the net interest income directly to me/us.
- Apply the net interest income directly to the mortgage principal balance for an equal amount of principal reduction.
- Other: _____

- I understand that the Rehabilitation Escrow Account will cease paying interest to me if (1) the loan payments are delinquent for more than 30 days; or (2) the completion date (or an approved extension) has expired. During this period, the interest will be paid down on the mortgage principal. I understand if I clear up the delinquent or default status and/or the completion date has not expired or an extension has been approved, then the interest on the escrow account will begin again to be paid according to the request above.
- I understand no draws on the escrow account can be made until all permits have been issued by the local or state building departments, where required. I further understand I can only request monies for the actual cost of rehabilitation. If any cost savings result on any line item of the Draw Request, form HUD-9746-A, the amount saved must be used to: (1) Make further improvements to the property; (2) Pay for cost overruns in other line items of the Draw Request; or (3) Prepay the mortgage principal.
- I understand the contractor(s) is responsible to complete the work described in the architectural exhibits in a workmanlike manner. If I agree the work has been properly completed, I will sign the Draw Request, form HUD-9746-A, thereby accepting the responsibility that the completed work is acceptable and payment is justified. I understand there is a 10 percent holdback on each Draw Request to assure the work is properly completed and for lien protection.
- I understand I am responsible to negotiate any and all agreements with the contractor(s) I select and that HUD suggests that the Agreement with the contractor should include a provision for binding arbitration with the American Arbitration Association on any dispute.
- I understand if I am using the Escrow Commitment Procedure, I must sign form HUD-314. The funds deposited in an escrow, trust or special account will not be released until an assumption of the loan occurs by a creditworthy buyer or until the time allowed for such assumption has expired, thereby requiring the funds to be paid down on the mortgage principal.

- I understand if I change a contractor for any reason, I may be obligated under the terms of the original contractor's agreement and I should seek legal advice before taking such action. If I disagree with the contractor regarding the acceptable completion of the work, I can request an inspection by the fee inspector to determine if the work has been properly completed. If an agreement cannot be made with the contractor, the lender may hold the money until such time as an agreement is reached or an arbitrator's decision is rendered.
- I understand the lender or HUD does not provide a one-year warranty on the completed work on the property. I am responsible to obtain such warranty(s) from the contractor(s) and the warranty should be stated in the Homeowner-Contractor Agreement.
- I understand I am responsible to make the mortgage payments during the term of the loan, including the rehabilitation period, to ensure the property will not go into default. The construction on the home must start within 30 days; if the construction ceases for more than 30 days, the lender may consider the loan in default or the lender can use the escrow money to have the work completed. If the work stops or is not progressing as it should, or if the work does not comply with the accepted architectural exhibits, the lender may require additional compliance inspections to protect the security of the loan and I will be responsible to pay for the inspections and the cost of the inspection may be withheld at the next draw request.
- I understand no changes to the architectural exhibits can be made without the acceptance of the lender (or HUD) on form HUD-92577. The contingency fund is set up for changes that affect the health, safety, or items of necessity of the occupants of the property. If the contingency reserve is insufficient, I must place additional monies into the account for payment upon acceptance of the change. Additional improvements can be made after it is determined no further health and safety items exist. A change order will be made to assure the monies are available to the contractor upon completion of the changed work.
- I understand if there are unused contingency funds, mortgage payments, inspection fees or other monies in the Rehabilitation Escrow Account after the Final Release is processed, the lender, in compliance with HUD regulations, **must** apply those funds to prepay the mortgage principal, provided those items are a part of the mortgage.
- I understand the lender may retain the 10 percent holdback, for a period not to exceed 35 days (or the time period required by law to file a lien, whichever is longer), to ensure compliance with state lien waiver laws or other state requirements. Upon completion of the work, I understand I will be provided: (1) The Final Draw Request; (2) The Final Release Notice; and (3) An accounting of the final distribution of all funds.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
 - Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
 - Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
 - Form 1099-S (proceeds from real estate transactions)
 - Form 1099-K (merchant card and third party network transactions)
 - Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
 - Form 1099-C (canceled debt)
 - Form 1099-A (acquisition or abandonment of secured property)
- Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.
- If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.*

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.

You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABL accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. If, for whatever reason, the final inspection verifying that all Work is completed is not received within One Hundred and Eighty (180) days of the date of the note, the Lender has the right to make a principal reduction payment with the funds being held in escrow. If the funds held in escrow are used to make a principal reduction, the final payment to the Contractor will not be available from the Lender unless the Lender has agreed in writing through an approved Change Order to extend such time.

10. PAYMENTS AND COMPLETION: Funds for the renovation are released per the executed draw agreement All requests for funds should be submitted to the FHA 203k Consultant assigned to the specific job. The Lenders construction administrator will be identified to the borrower shortly after closing. This information will also be released to the consultant. Contractor can obtain this information from either of these parties.

11. WITHHOLDING OF FUNDS:

Payments may be withheld because of: (1) defective Work not remedied; (2) failure of Contractor to make proper payments to subcontractors, workers, or suppliers; (3) persistent failure to carry out Work in accordance with this Agreement or these general conditions, or (4) legal claims. Final payment will be due only upon release of any and all liens arising out of the Agreement or submission of receipts or other evidence of payment covering all subcontractors or suppliers who could file such a lien. The Contractor agrees to indemnify the Borrower and Lender against such liens and will refund all monies including costs and reasonable attorney's fees paid by the Borrower and/or Lender in discharging the liens. A ten (10) percent "Holdback" reserve is required by the Lender to assure the Work has been properly completed and there are no liens on the Property or more as the FHA Consultant deems necessary.

12. PROTECTION OF PROPERTY AND PERSONS:

The Contractor is responsible for initiating, maintaining, and supervising all necessary or required safety programs. The Contractor must comply with all applicable law, regulations, ordinances, or laws of federal, state, county or local governments. The Contractor will indemnify the owner for all property loss or damage to the Borrower caused by his/her employees or his/her direct or indirect subcontractors.

13. INSURANCE:

The Contractor shall purchase and maintain insurance necessary to protect the Contractor and Borrower from claims under negligence, workers compensation and from any damage to the Borrower's property resulting from the conduct of this Agreement, and name Borrower as an additional named insured.

14. CHANGES IN THE AGREEMENT:

The Borrower may order changes, additions or modifications (using form HUD-92577) without invalidating the Agreement. Such changes must be in writing and signed by the Borrower and accepted by the Lender. Not all Change Order requests may be accepted by the Lender; therefore, the Contractor proceeds at his/her own risk if Work is completed and/or proceeded on without a Change Order accepted in writing by Lender.

15. CORRECTION OF DEFICIENCIES:

Demonstration Version---

The Contractor must promptly correct any Work of his/her own or his/her subcontractors found to be defective or not complying with the terms of the Agreement.

16. WARRANTY:

The Contractor shall provide a one-year warranty on all labor and materials provided hereunder. This warranty must extend one year from the date of the completion of the Work or longer if prescribed by law unless otherwise specified by other terms of this Agreement and shall be for one hundred percent (100%) of the cost of replacement or repair for all Work or damages. Disputes will be resolved through the Construction Industry Arbitration Rules of the American Arbitration Association.

17. CONTINGENCY FUNDS:

A Contingency fund is for the sole purpose of unforeseen issues that develop as a result of the proposed scope of work detailed in the lender approved agreements. Therefore, the contingency reserve fund is not to be used for work that is unrelated to the original scope of work approved by the FHA Consultant and the Lender.

18. TERMINATION:

a. If the Borrower fails to make a payment under the terms of this Agreement through no fault of the Contractor, the Contractor may, upon ten (10) working days written notice to the Borrower, and if not satisfied, terminate this Agreement.

b. If the Contractor fails or neglects to carry out the terms of the Agreement, the Borrower, after ten (10) working days written notice to the Contractor, may terminate this Agreement. The Borrower may then finish the Work by hiring a new Contractor acceptable to the lender. If the cost of completion of the Work exceeds the Agreement balance, the difference, as well as costs and reasonable attorney's fees made necessary to enforce the terms of this Agreement, shall be due and owing to Borrower from Contractor. The Contractor, upon termination of the agreement, releases any claim to the funds remaining in the escrow account and acknowledges that the lender will use any funds remaining in the escrow account to complete the work including paying the Borrower's new Contractor.
