

FINANCE TRACKER 360

THANK YOU FOR YOUR PURCHASE

Welcome to Finance Tracker 360 – Your all-in-one Notion workspace for managing money with clarity and confidence.

[GET ACCESS TO THE TEMPLATE](#)

What You Get (Highlights):

- **Accounts** hub for Banks, Wallet, and Credit Cards with current balances & available credit.
- **Transaction** databases for Incomes, Expenses, and Transfers (bank→bank, bank→card, goals, investments).
- **Budgeting** by Expense Type with *Expense This Month*, *Utilisation %*, and *Budget Status*.
- **Subscriptions & Recurring Bills** with *Due Soon* and *Overdue* panels and *Renewal Reminders*.
- **Goals** (vacation, emergency fund, car, etc.) with progress tracking.
- **Investments** (mutual funds, stocks, gold/crypto), **Assets & Liabilities** (EMIs, outstanding).
- **Assets & Liabilities** (land, flat and other real estate properties)
- and much more.

Getting Started (2 minutes):

1. Create a **Free Account** in **Notion** by clicking this link - <https://notion.com>.
2. Click the access link given above. In Notion, hit **Duplicate** (top right) to copy the template into your workspace.
3. Check out the **Help Tutorials** on the *Dashboard* to learn how to use the Finance Tracker 360.
